

NEW HAMPSHIRE MEDICAID PHARMACY PROGRAM

TO: New Hampshire Medicaid Providers
FROM: New Hampshire Department of Health and Human Services
DATE: August 21, 2018
SUBJECT: New Hampshire Medicaid Diabetic Supply Program

The State of New Hampshire Department of Health and Human Services contracts with Magellan Medicaid Administration to manage a diabetic supply program which applies to all New Hampshire Medicaid recipients without other insurance or Medicare coverage. Medicaid managed care organization (MCO) recipients are not included in the diabetic supply program.

Abbott Diabetes Care, Inc. and Roche Diagnostics Corporation are currently the preferred providers of blood glucose monitors and strips. Recipients who are not already using preferred products must switch to one of the preferred monitors and accompanying strips as New Hampshire Medicaid no longer covers test strips for non-preferred monitors unless the recipient's physician has requested an override through Magellan Medicaid Administration.

Please be advised that the New Hampshire Medicaid Diabetic Supply program has been updated and a full product listing is provided on Page 2.
